

XeonBD awarded ‘**BRAND LEADERSHIP AWARD**’

Team XeonBD is truly honoured to share the information with all of you that today XeonBD has been awarded the most prestigious “BRAND LEADERSHIP AWARD” by the World Federation of Marketing Professionals endorsed by CMO Asia. XeonBD was chosen for the award due to its innovative excellence and setting example of being a role model and exemplary leadership in its business field through its branding and marketing.

The BANGLADESH BEST MASTER BRAND AWARD 2018 ceremony was held at 23rd September 2018 at Radisson Blu Dhaka Water Garden, Dhaka, Bangladesh. The

Award was received by XeonBD's Founder and CEO, Kazi S M Nazmus Saqib. The awards seek to identify and celebrate outstanding brand building & marketing by organisations, individuals and teams.

After receiving the award, Kazi S M Nazmus Saqib, Founder, and CEO of XeonBD said, "This award means a lot to us. Thanks for truly recognising our team's 13+ years of continuous hard work and serving the IT industry with innovative solutions and services. Also, awards are always an inspiration for good work and I believe in future this recognition will boost us more to contribute in the Information Technology industry."
